# NEA JOURNAL

VOLUME LXVI JANUARY–DECEMBER

1977

TODAY'S EDUCATION, the Journal of the National Education Association, serves the entire membership of the Association. It has the largest circulation of any professional journal. Its policy is determined by the resolutions and activities of the Association itself. It aims to give an overall view of education. It emphasizes pioneer undertakings. It seeks to encourage among educators a broader interest in the larger problems of education and life.

Persons binding their copies of TODAY'S EDUCATION: NEA JOURNAL into an annual volume may use this sheet for a title page. The 1977 volume includes four issues: one each for January–February, March–April, September–October, and November–December.

Elected officers of the National Education Association include John Ryor, president; Willard McGuire, vice-president; and John T. McGarigal, treasurer. Terry Herndon is executive director. John D. Sullivan, director for instruction and professional development, is publisher of TODAY'S EDUCATION. Staff members include: Walter A. Graves, editor; Elizabeth E. Yeary, assistant editor; Paul E. Bergman, production and business consultant; Raymond K. Butler, Jr., circulation manager; Robert F. O'Connor, advertising manager.

# NEA JOURNAL

VOLUME LXVII JANUARY–DECEMBER

1978

TODAY'S EDUCATION, the Journal of the National Education Association, serves the entire membership of the Association. It has the largest circulation of any professional journal. Its policy is determined by the resolutions and activities of the Association itself. It aims to give an overall view of education. It emphasizes pioneer undertakings. It seeks to encourage among educators a broader interest in the larger problems of education and life.

Persons binding their copies of TODAY'S EDUCATION: NEA JOURNAL into an annual volume may use this sheet for a title page. The 1978 volume includes four issues: one each for February–March, April–May, September–October, and November–December.

Elected officers of the National Education Association include John Ryor, president; Willard McGuire, vice-president; and John T. McGarigal, treasurer. Terry Herndon is executive director. John D. Sullivan, director for instruction and professional development, is publisher of TODAY'S EDUCATION. Staff members include: Walter A. Graves, editor; Elizabeth E. Yeary, assistant editor; Paul E. Bergman, production and business consultant; Raymond K. Butler, Jr., circulation manager; Robert F. O'Connor, advertising manager.
